

# ACQUISITION MEDIA ALERT

What: Conference call with BIS Computer Solutions, La Crescenta,

CA. Division President Michael Macho

Why: Live briefing, Q&A on BIS Computer's acquisition of

ResultWorx Technology Group, Pasadena, CA

When: 11 am, Monday, Jan. 30, 2012

Where: Dial 866-901-2585 or 404-835-7099.

Background: BIS Computer Solutions, 40-year-old, privately held full-service technology solutions provider, is acquiring privately-owned ResultWorx Technology Group, headed by the late Jim Locke which served entrepreneurs and small to medium-sized businesses in Pasadena market south to Orange County.

BIS Computer Solutions recognizes that both firms share the same visions and values on innovative solutions, highly personalized service, community involvement and briefing their customers on emerging technologies and objectively evaluating new products and strategies in the market place.

Michael Macho and Ms. Cabezas-Locke will take questions.

A full press release will be sent to the media beforehand.

Photos will be available on request.
